

BSc Hons Nursing Student Taster Programme

We are inviting secondary school pupils to join us for a one-day taster programme, which will give your students the chance to learn more about studying Adult General and Mental Health Nursing at The Institute of Technology Tralee. This programme is for students in Senior Cycle who have an interest in nursing and wish to care for people in a variety of wards in the hospitals including, acute medical/surgical units, emergency and critical care units, mental health care units and primary health care in the community.

This is a great opportunity to:

- Get an overview of Nursing and the core values of the profession.
- Find out how to apply for our courses.
- Hear from our current students and learn about college life.
- Take part in clinical skills sessions and get some hands-on experience in our Clinical Skills Suites.
- Learn more about our degree course content and structure from our academic staff.
- Find out about career opportunities following qualification.

Places are limited on this programme, therefore we advise you to discuss this opportunity with your students and book as early as possible.

Programme Dates:	Thursday 16 th November Wednesday 29 th November Wednesday 6 th December.
Venue:	Sólás Building, Institute of Technology Tralee, North Campus, Dromtacker, Tralee
