

What is 'sexting' and what is the big deal?

Watch the following video link 'Megans Story'

1. Explain one long term and one short term impact of putting your personal pictures and information in someone else's hands.

Short term: _____

Long term: _____

2. When you meet someone and start going out, do you think this relationship will last forever?

Answer _____

Now imagine the following scenario:

You have a boyfriend/girlfriend. You love and trust each other. You send 'sext' messages to each other on occasion. You are going out with him/her for over a year when you meet someone else and break up.

3. Explain the dangers in the above scenario

Danger 1: _____

Danger 2: _____
